**All: We have come to sing praises to our Creator!**

**All: Thanks be to our faithful God. Amen.**

## UNISON PRAYER OF CONFESSION

Holy God, we confess that for many of us the history of how we came to be here is more complex than we understand. We confess that we have lost our connection to our local habitat --- to the names of the birds of the air, and the fish of the waters, and every crawling thing that you have created. We confess that we are a people who have lost our connection to the dirt under our feet. The very substance into which you breathed life. Transform us, O God, and give us roots. Empower us to discover the history of this sacred place where you called us. Embolden us to reconcile with all children of God who call this place home, and to honor their care for the land. Help us to learn the seasons of this sacred place, to learn the native flowers and trees, native birds and wildlife. Open our eyes to the seeds that have been sown here for millennia and the intentional care you have taken in crafting our habitat. May we be rooted and grounded in the family of God in our midst. We offer now our silent prayers. (Pause in silent prayer.) Amen.
